## STOCKHOLDERS' MEETING

# RUTLAND RAILROAD COMPANY,

1874.

---

The annual meeting of the Stockholders of the Rutland Railroad Company, for the year 1874, will be held at the office of the President of the Company, in Rutland, Vt., on the 27th day of January, A. D. 1874, at 3 p. m., for the election of seven Directors for the year ensuing; to see if the Stockholders will alter the by-laws of the corporation, so that hereafter the annual meeting of the Stockholders shall be held in July in each year, and to transact any other business that may come before the meeting.

B. B. SMALLEY,

*Clerk Rutland Railroad Co.*

BURLINGTON, January 7th, 1874.

The Stockholders met in pursuance of the above notice, published more than ten days in the Boston Post, the Boston Journal and the Boston Advertiser, newspapers published in Boston, Mass., and in the Rutland Herald, published at Rutland, Vt., and the Daily Free Press and Times, published at Burlington, Vt.

The meeting was called to order by Gov. Page, President of the Company.

The Clerk read the call for the meeting.

The President presented his annual report to the meeting, and on motion it was unanimously adopted and ordered to be placed on file, and that it be printed and distributed among the Stockholders.

Gen. Jas. S. Whitney offered the following resolution, which was unanimously adopted, viz.

Voted, that the scrip dividend to be hereafter declared be made convertible hereafter, as heretofore, into the eight per cent. bonds of the Company, at par, and that scrip shall be entitled to an interest of six per cent thereon, until converted or paid.

Gen. Whitney offered the following resolution:

Whereas, it is considered to be desirable that the annual meetings of this corporation should hereafter be holden in the summer season, instead of the winter ; therefore, it is voted to change the by-laws, printed as by-law second (2d,) in the printed by-laws of this Company, by striking out the present by-law second and substituting therefor, the following, to wit: That hereafter, the annual meetings of this corporation shall be holden at Rutland, Vermont, at the general office of the Company, in the month of July, in each year. The first of said meetings to be held under this by-law, be holden as aforesaid, in July, 1875.

A stock vote was called for, and thereupon the President appointed J. W. Hickok and B. B. Smalley, tellers, to receive, sort and count the votes ; who reported the whole number of votes cast, to be 37,354, of which number 36,460 voted yes, and 894 voted no, so the resolution was adopted.

On motion of Mr. Everett, voted that when this meeting adjourns, it adjourns to meet here on the 4th Tuesday in July, 1874, at 3 p. m.

Mr. Everett moved that the election of Directors be continued to the 4th Tuesday in July, 1874, at 3 p. m., and on this motion General Whitney demanded a stock vote, and the chair appointed Messrs. Everett, Williams and Haven as tellers to receive, sort and count the votes, who reported as follows:

Whole number cast,	-	-	-	-	24,983
Those who voted yes,	-	-	-	-	16,947
“ “ “ no,	-	-	-	-	8,036

And the motion was adopted.

On motion, adjourned to July 28th, 1874, at 3 p. m.

The graveling contracts in relation to the Addison Railroad, remain as stated in last report.

There are still pending sundry unsettled claims, but the amount is believed to be small and quite as likely to result in favor of, as against the Company.

The assets applicable to liabilities, are as follows, viz :

The bal. of the first mortgage bonds,	\$527,200 00
Addison Railroad stock, - -	138,100 00

	\$927,967 31
	<hr/>

The rents payable from the Lessees of your road for the year 1874, will amount to \$465,000. For the year 1875 to \$519,000, and in 1876 to \$546,000.

The late financial panic has prevented the closing of pending negotiations for the sale of the remaining first mortgage bonds, but it is hoped the negotiation may be successfully concluded within the next few months. Under the existing votes of the corporation these bonds cannot be sold under par, which prevented the acceptance of an offer for the entire lot, that would have netted about 94 per cent.

The lessees report the gross earnings of the road for the year ending Dec. 1st, 1873, at a total of \$970,238 94.

The accounts for rent with the Lessees to the 20th day of January, 1874, stand upon the books as follows:

The Treasurer's balance sheet herewith submitted, with the certificate of the auditors in relation thereto, and also the old bond accounts in connection with the receipts and disbursements for the past year, and the statements of available assets to meet liabilities, (other than bonds), with the rent account as it stands at this date, will give the stockholders the information necessary to judge of the condition and prospects of the corporation. This report having been submitted to the board, is with their approval laid before the stockholders.

JOHN B. PAGE,

*President.*
